

# Advocator Group

*When life changes.<sup>SM</sup>*

**We are your trusted partner.**

We are Social Security Disability advocates and Medicare advisors. When life changes, we help people get the benefits they deserve. When we succeed for them, it also benefits you as their insurer. When you refer your clients to The Advocator Group, we deliver service and success that helps them, and also benefits you.

## Our Comprehensive Offerings

### **We are experienced advocates.**

Founded in 2002, The Advocator Group is dedicated to preserving the financial well-being of our clients by helping them apply for and receive Social Security Disability.

We have over 300 employees across the United States and service tens of thousands of new referrals each year.

The Advocator Group partners with insurance carriers that comprise over 80% of the group Long-Term Disability market, to assist their clients through the Social Security Disability process.

## We are reputable advocates.

The way we serve our clients and how we interact with insurance carriers and government administrators is what makes us effective. We are respectful, resourceful and committed to obtaining positive outcomes.

## We are an accomplished team.

We have helped over 150,000 clients receive Social Security Disability awards and take pride in our **FAST and FAVORABLE** decisions.

Our **Client Advocates** use the most advanced technology in our industry and have access to a wealth of resources.

Our **cloud-based claims management system** provides real-time information and supports our team approach.

## We add value, at every stage in the approval process.

We provide our partners with **on-site expertise**. This personal attention enables us to work seamlessly with your staff.

Our comprehensive **claims examiner training series** is a modular program that ensures your claims organization remains informed and offers developmental opportunities to your employees throughout their careers.

From centralized printing to mailing integration, we aim to **optimize your business processes** and **improve operating efficiency**.

Our **digital resources** provide up-to-the-minute status updates and educational tools for both our carrier customers and their clients.

## We offer customized solutions.

We take the time to understand your existing client touch points and create **streamlined, integrated communications**.

We analyze performance data and provide our partners with customized reports, including valuable **industry benchmark comparisons**.

We have a unique education-based approach to **reimbursement facilitation** that delivers the results you need and the service your clients deserve.

## We are a values-driven organization.

At The Advocator Group, each of our core values is an integral part of our corporate culture:

**Create Opportunity | Enrich Lives | Grow through Innovation**

Our core values are well established within our model of service to our clients.
